

Pre-order Your Copy of the WTW Student Directory

**Please contact Alan Anderson (VP2-Fundraising) with questions.
Alan can be reached at 301-237-2016 or via email at vp2@woodsonptso.org.**

We encourage you to order your copy of the student directory when you join PTSO:
<http://www.woodsonptso.org/join-ptso.html>.

However, if you forgot to order directories when you joined PTSO or later decided you'd like to order additional copies, you may order through the PTSO online store at
<https://squareup.com/store/wtwptso>.

PTSO Student/Staff Directories will be available shortly after the student/family data is released from the front office in October. To ensure that we don't underestimate or overestimate the number of directories we need to print, the PTSO is encouraging all families to pre-purchase your copy.
